

Hi! Thank you for downloading my Fraction Cards. I made these cards as an additional learning material for my kids aside from the workbooks and fraction pies that we own. This file is FREE and is NOT for sale. Feel free to use it in your homeschooling, in schools or co-ops.

Please note that this file should NOT be shared through email and file sharing sites. If someone wishes to have a copy kindly direct them to my shop or blog.

Hope you like it. Thank you!

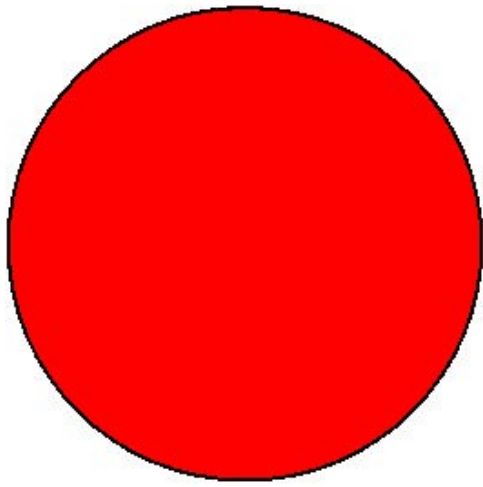

*PS. If by chance you spot an error on the file, including typo error and incorrect facts, please let me know so I can fix it as soon as possible. Email me at [ms.jarms@gmail.com](mailto:ms.jarms@gmail.com)*

Best regards,
